About Unity Export Traders

Unity Export Traders is a leading manufacturer and exporter of premium uniform accessories, supplying dependable, high-finish components that elevate the look and performance of uniforms across industries. We are committed to quality craftsmanship, consistent production, and rigorous inspection—ensuring every badge, emblem, patch, and accessory meets international expectations for durability, detailing, and presentation.

With strong custom manufacturing capabilities, we support B2B buyers with OEM/ODM development, sampling, bulk production, and export-ready packaging—tailored to your specifications, branding, and procurement timelines.

We proudly serve military, police, security, corporate, and school uniform sectors worldwide, delivering reliable supply, responsive communication, and products designed for real-world wear in demanding environments.
